

BIOGRAPHY

LLEWELLYN VAUGHAN-LEE, Ph.D., is a Sufi teacher. Born in London in 1953, he has followed the Naqshbandi Sufi path since he was nineteen. In 1991 he became the successor of Irina Tweedie, author of *Daughter of Fire: A Diary of a Spiritual Training with a Sufi Master*. He then moved to Northern California and founded The Golden Sufi Center (www.goldensufi.org). Author of several books, he has specialized in the area of dreamwork, integrating the ancient Sufi approach to dreams with the insights of Jungian Psychology. Since 2000 his writing and teaching have been on spiritual responsibility in our present time of transition, and an awakening global consciousness of oneness (www.workingwithoneness.org). More recently he has written about the feminine, the *anima mundi* (World Soul), and spiritual ecology (www.spiritualecology.org). He was featured in the TV series *Global Spirit* and interviewed by Oprah Winfrey as a part of her *Super Soul Sunday* series.

REVIEWS & ENDORSEMENTS

Spiritual Ecology: 10 Practices to Reawaken the Sacred in Everyday Life

“This small book, exquisite in its luminous simplicity, brings me home to my life. Even in a dark time, its practices center me in a sense of the sacred, our birthright.” —JOANNA MACY, teacher, activist, & author

“Llewellyn Vaughan-Lee’s book on practices for Spiritual Ecology in everyday life awakens us to the potential to take small steps towards big transformation. It overcomes the artificial divide between nature and humans, and spirituality and action. No matter who we are, where we live, these are steps each of us can take.” —VANDANA SHIVA, activist and author

Spiritual Ecology: The Cry of the Earth

“It’s hard to imagine finding a wiser group of humans than the authors represented here, all of them both thinkers and do-ers in the greatest battle humans have ever faced. AN EPIC COLLECTION!” —BILL MCKIBBEN, founder 350.org

“...provides fresh thinking about the spiritual approaches of consciously and consistently making the right choices, each of us within our respective sphere of influence. As the world works towards a new global climate agreement in 2015, it is in our interest and in the interest of future generations to reflect on how we can individually and collectively contribute to addressing climate change by making our economies and lifestyles more sustainable, because solving climate change can help solve many of the issues the earth currently faces. Climate change is therefore both a challenge and an opportunity. I hope this book inspires and energizes many readers eager to rise to the greatest challenge ever to face humanity by realizing the transformative opportunities we have in front of us.” —CHRISTINA FIGUERE, Executive Secretary of the United Nations Framework Convention on Climate Change (UNFCCC)

For Love of the Real: A Story of Life's Mystical Secret

“Llewellyn Vaughan-Lee’s explanation in For Love of the Real of how to turn away from self-centeredness in the face of reality will appeal to readers who seek to lead a meaningful life.” —H. H. THE DALAI LAMA

“A penetrating, heartfelt look into Absolute Reality...” —LAMA PALDEN, Buddhist teacher and founder of Sukhasiddhi Foundation

Darkening of the Light: Witnessing the End of an Era

“I bow to the courage in this book. Here Llewellyn Vaughan-Lee has allowed himself to hear the cry of the Earth. He has been brave enough to face and to feel the immensity of the loss. He has dared to share that with us and to hope we can wake up to save what’s left of our world and our souls.” —JOANNA MACY, Co-author, *Active Hope: How to Face the Mess We’re in Without Going Crazy*

“I was very moved by Llewellyn Vaughan-Lee’s reflections.” —MARY EVELYN TUCKER, Codirector, Yale Forum on Religion and Ecology, www.emergingearthcommunity.org

“... insightfully calls us to action now to avoid further devastation of our planet—of the Earth which is our home. We can no longer afford to remain in a collective trance ignoring how the Earth is responding to our behavior. Llewellyn inspires us to turn within and engage in the work needed to transform our world. This book is a gem!” —SANDRA INGERMAN, author *Soul Retrieval and Medicine for the Earth*
